

Building Works Fund (BWF) Envelopes

The new boxes of these, which start on the 6th September, are now available on the table in the Back Bay. The envelopes are blue look like the one below.

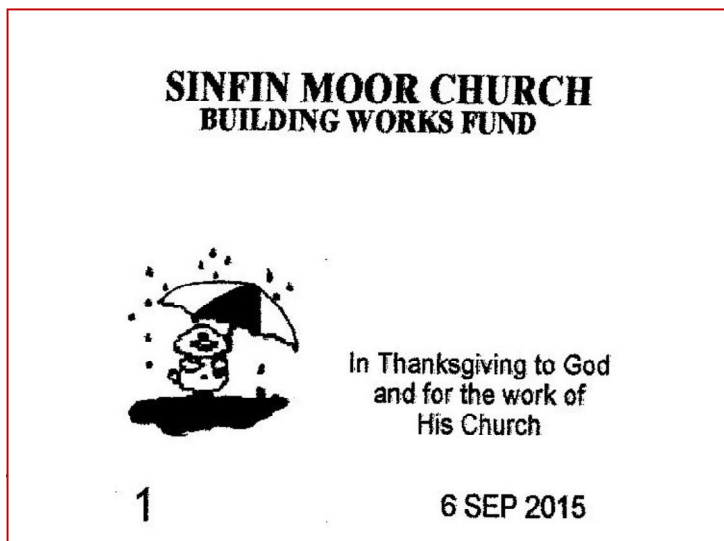

To those of you who give in this way, thank you for your support, it really is very important to us.

If you have a set of the normal Weekly Church Offering envelopes then you will have been allocated a number, we use the same number for the BWF envelopes so the number is allocated to you and cannot be used by anyone else. Whilst we appreciate not all of you want to support what we are doing on the building, since the number is allocated to you, please be kind enough to take your envelopes and if you decide not to use them, so be it. Please dispose of them how you see fit.

We would ask you to be prayerful on this matter and seriously consider giving to this fund because we will have considerable expense if we are to complete the work we plan to do on the building.

If you do not give using our envelope schemes and would like to do so, please speak to Margaret Platt or Ian Sant who will be happy to provide you with them.

Finally, after the end of this month, please do not destroy any old envelopes you have not used and use the new one's instead.
